

Federal Recovery Coordination Program

Adam Kijanski
Federal Recovery Coordinator
May 20, 2014

CONCEPT

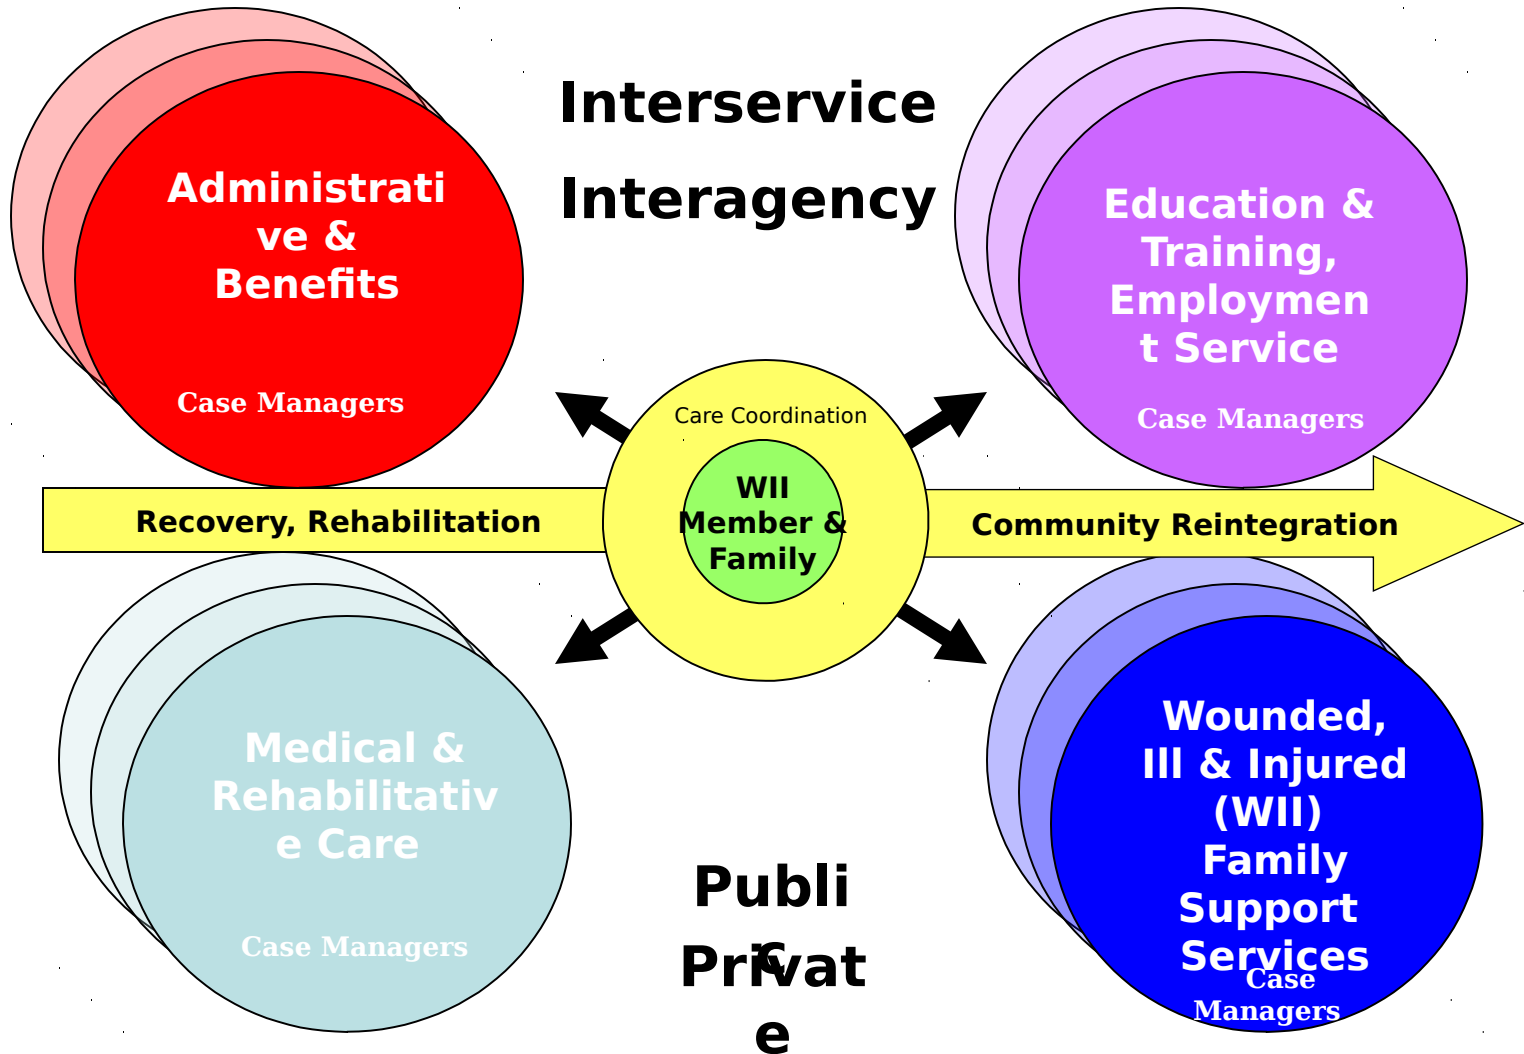

The President's Commission on Care
for America's Returning Wounded Warriors
July 2007

Immediately create comprehensive patient-centered recovery plans for every seriously wounded service member, including those wounded since the beginning of the OEF/OIF conflicts who might still benefit from a recovery plan.

Concept also endorsed by the
Veterans' Disability Benefits Commission, October 2007

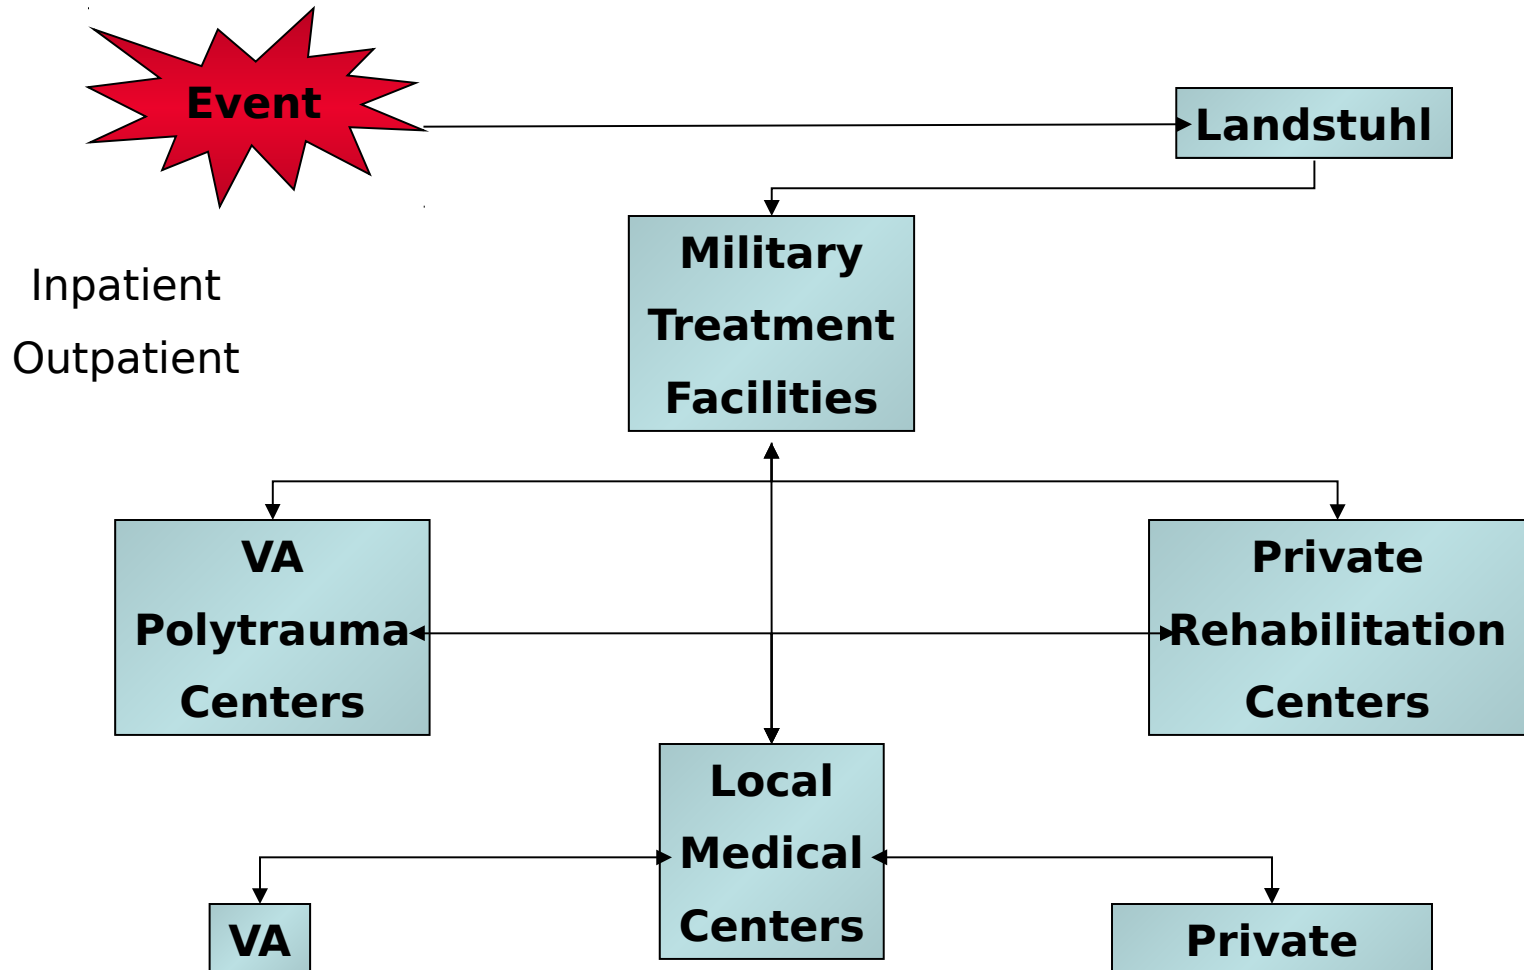

CARE COORDINATION - INTEGRATING MANAGEMENT

Need for Coordination of Care, Management and Transition
